Narrator Johanna Parker is a San Francisco native who now makes her living in New York City. Parker received her bachelor of fine arts degree in acting from Boston University and also trained at the Royal Academy of Dramatic Arts.

Author Charlaiane Harris won the Anthony Award for Best Paperback Original Mystery for *Dead Until Dark*, the first novel in the Sookie Stackhouse series. She is also acclaimed for her Lily Bard mysteries, set in Shakespeare, Arkansas. Harris and her family live in Arkansas along with their two dogs, two ferrets and one duck.

this ninth adventure, Sookie is caught in the middle when tensions boil over among unhumans. No sooner has Sookie tied on her cocktail waitress apron for a night's work when a special report comes on the television. The time has come. Like vampires before them, Weres and shifters have revealed themselves. Although a strong reaction might be expected from the humans of Bon Temps, Louisiana, everything goes smoothly—for a while. Then, a mutilated werepanther body is found. And worse still, a race of unhumans far older and more powerful than vampires or weranimals begins preparing for battle. Featuring the frothy blend of romance and danger Harris' fans adore, *Dead and Gone* takes an already captivating series into thrilling new territory.
